

Certificate of Registration

Quality Management System

This is to certify that:

Timken UK Limited
T/A Timken Aerospace UK
PO Box 667
Upper Villiers Street
Wolverhampton
WV2 4UH
United Kingdom

Holds Certificate No: **FM 38112**

and operates a Quality Management System which complies with the requirements of BS EN 9100:2003, ISO 9001:2008 and assessed in accordance with EN 9104:P1 for the following scope:

The design, manufacture, inspection, test, and repair of ball and roller bearings and bearing components for aerospace and special applications to meet customer, national and international specification requirements.

Sub-contract machining of components and material to customer drawing requirements.

This registration includes a system to provide lot traceability to raw materials/components when specified by contract/customer.
